PROFESSIONAL SUMMARY

Bachelor of Science in Information Technology graduate with internship experience in graphic design, producing publication materials and simple motion graphics for educational marketing. Currently expanding skills in Adobe After Effects and Autodesk Maya through self-directed projects while building a portfolio of professional and personal creative work. Seeking an entry-level Graphic Designer or Multimedia Designer position.

SKILLS

Graphic Design

- Adobe Photoshop
- Adobe After Effects
- Canva
- Autodesk Maya (Basic Modeling, Rigging, Animation)

Technical Knowledge

- Basic HTML & CSS
- Basic Python

EXPERIENCE

Graphic Design Intern

FEU Institute of Technology

January 2026 – July 2026

- Produced publication materials and simple motion graphics for holiday and engagement posts that were published on the official social media pages of FEU Alabang, FEU Diliman, and FEU Institute of Technology.

- Produced congratulatory, announcement, and promotional publication materials by adapting approved templates.
- Applied revisions based on supervisor feedback while maintaining visual consistency and branding across materials.

PROJECTS

FEU Alabang Enrollment Series (*Personal Project*)

- Learned the fundamentals of 3D modeling, rigging, and animation using Autodesk Maya through a self-directed project.
- Designed and animated a 3D mascot for a concept enrollment campaign.
- Integrated 3D animation with motion graphics to produce a series of promotional reels using Adobe After Effects.

Portfolio Website

- Developed an online portfolio showcasing internship publication materials, motion graphics, and personal creative projects.
